Mike,

Unfortunately an urgent business matter came up this morning and I will not be able to attend our call at 9 am. I will get back to you about potential rescheduling something next week, if you would like?

In addition, after speaking with Stephanie and John, CHK would greatly appreciate if we could schedule the larger group meeting so the Ramona can physically attend. I understand that Ramona's only availability is Tuesday (3/20/12) next week, and the driller will not be available on this particular day. Looking forward to the week of March 26, the afternoons of the 26 and 27 appear to be favorable. Please let me know if you have any questions. I appreciate your help coordinating this meeting.

Thank you,
